EDUCATION

University of California, Los Angeles, Los Angeles, California, 2002
Master of Library & Information Science
Graduated with Distinction and a 3.8 GPA.

Virginia Polytechnic Institute & State University, Blacksburg, Virginia, 1992
Bachelor of Science, *Computer Science*
Minor: Mathematics. Graduated with Honors (Cum Laude).

SKILLS

- Library systems administration since 2002: Alma, Primo & Primo VE, Rapido, RapidILL, ILLiad, Sierra, Millennium, INNOPAC. Certified Administrator for Alma, Primo, Primo VE.
- Previous career as a software developer & project manager for Windows, Macintosh, and UNIX commercial products
- Programming experience in Python, JavaScript, PHP, XSL/XML, AngularJS, HTML/CSS, Perl, C, C++, Ex Libris REST APIs, Ex Libris Alma letters, and Ex Libris normalization rules
- Other software: Confluence, Qualtrics, SalesForce, Springshare, WordPress, OpenRefine, EZProxy, Zoom, Teams, WebEx, ON24, Slack, Transact, CashNet, Snagit, Box, Basecamp, Notepad++, Anaconda Spyder, Git & GitHub, and ContentDM
- Course development in Canvas and Moodle platforms
- Listserv management (PRIMO-L) & website management (ELUNA Primo Working Group and *Code4Lib Journal*)
- Collection development and library instruction in computer science since 2002

- Reference desk experience in academic, public, and special libraries; virtual, chat, phone, email, and text reference
- Original & copy cataloging of DVDs, books, e-books, streaming audio & video, sound recordings, children's books, serials, and theses and dissertations in the digital repository
- Former instructor for professional acquisitions librarian courses
- Dublin Core, RDA, AACR2, MARC cataloging formats

PROFESSIONAL EXPERIENCE

California State University, Northridge (CSUN) University Library, 2018-present. Northridge, California

Systems Librarian (Librarian rank, tenured 2023)

- Administration and management of Ex Libris' Alma & Primo VE integrated library system (ILS), manage user accounts, and design and provide system reports to staff
- Main liaison with the consortial-wide implementation of Ex Libris products (across 23 CSU campuses), with Ex Libris support, and with other departments on campus that import/export data from our library systems
- In charge of all library instruction and collection development for computer science

Chico State Meriam Library, July 2022 – February 2023. Chico, California

Systems Librarian (part-time temporary faculty position)

- Remote appointment 5 hours a week to cover administration and management of Ex Libris' Alma & Primo VE integrated library system (ILS), Springshare library utilities, and the library website for Chico State to cover a librarian sabbatical, and employment gaps.

Sonoma State University Library, October 2021- May 2022. Rohnert Park, California

Systems Librarian (part-time temporary faculty position)

- Remote appointment 5 hours a week to cover administration and management of Ex Libris' Alma & Primo VE integrated library system (ILS) for Sonoma State while the regular Systems Librarian was on sabbatical in Spring 2022.

Loyola Marymount University, 2002-2018. Los Angeles, California

Cataloging Librarian, 2009-2018

- DVD, book, serial and online media cataloger using Library of Congress cataloging, LCSH, RDA, MARC and AACR2. Original and copy cataloging.
- Managed weekly local authority control & table of contents/summary data for library's Innovative Interfaces (Sierra) system.
- Led 2016-2017 project to merge Loyola Law School & LMU ILSs.
- Library collection development & faculty liaison work for all engineering subjects.
- Coordinator for WEST (Western Regional Storage Trust) shared print journals project.

Systems Librarian, 2004-2008

- Systems Coordinator for Innovative Interfaces' integrated library system (ILS). Support, troubleshoot problems and train library staff. Responsible for upgrades and all aspects of the ILS.
- Managed one systems library assistant, including yearly performance reviews.
- Trained and supported library staff on technology in general, including keeping up with technology trends that impacted the library and university.
- Main developer & coder for LINUS library catalog, the library's CONTENTdm website, and the library's wiki.
- Loaded all vendor-supplied MARC records into catalog and creating relevant load tables for those records.
- Emphasis on automating processes for staff to save time and money and improve accuracy.
- Library collection development in computer science, engineering, mathematics, and sports, and working the library's reference desk.

Serials Cataloging Librarian, 2002-2003

- Full Library of Congress serials cataloging for the library's uncataloged journal collection, including adding and labeling volumes for all print periodicals in the library (90,000 volumes). This project was predicted to take three years to complete, but I finished the project in 16 months.
- Managed four work-study students.

Amateur Athletic Foundation Library, 2001-2002. Los Angeles, California

Library Assistant

- Processed the library's acquisition of the National Track & Field Library collection from Butler University. This included original cataloging and full processing of every item, including archival material, event programs, serials and annuals, and proceedings.
- Indexing for the journal digitization project of the entire 106 years of *Olympic Review*, the official publication of the International Olympic Committee (IOC). Assigned metadata at the article level for all articles, which were in six languages.
- In charge of the entire library on Saturdays, including the reference desk.

Long Beach Public Library, 2002, Long Beach, California

Reference Intern

- Staffed the various reference desks at the main & branch libraries. This included general reference, children & YA (young adult) reference, telephone reference, media reference, government publication reference, and the computer center.

University of Southern California (USC), University Archives, 2001, Los Angeles, California

Archivist Intern

- Cataloged USC's football photographs for the online digital archive using Dublin Core metadata. Involved knowledge of descriptive and subject cataloging, and further research was required to identify the people and places in each photograph. Became very familiar with early Los Angeles sports history as part of this project.

University of California, Los Angeles Biomedical Library, 2000-2001, Los Angeles, California

Library Assistant III, Collection Development

- Management & troubleshooting for the library's 4,000+ electronic journals. Identified new electronic biomedical journals for the library to license. Maintained public web site so patrons could access e-journals from outside the library's OPAC. Developed Microsoft Access database for tracking e-journal status and for running the website. Updated electronic journal links in library's OPAC.
- Library gift processing, and supervision & training of four student workers.

Symantec Corporation, 1994-1999, Santa Monica, California; Beaverton, Oregon, and Richardson, Texas.

Senior Program Manager, 1998-1999

- Managed several different large software projects concurrently. Drove issues & projects from start to finish, communicated status internally/externally, globally to my department, determined project requirements from customer needs, developed future product roadmaps, and created & maintained detailed project plans. Controlled projects with great attention to proven formal software development processes.
- Coordinated joint development projects with outside vendors such as IBM, and with outsourcing companies located in foreign countries.
- Due to understaffing in the department, I also acted as Quality Assurance Manager and Development Manager for months at a time.

Software Development Manager, 1998

- Supervised team of software engineers. Conducted annual reviews, quarterly reviews, and weekly one-on-one meetings with each employee.
- Team development lead for the Symantec security administration products. Gathered product requirements, wrote functional specifications and design documentation, and organized engineering schedules.

Senior Software Engineer, 1994-1998

- Project development lead for Symantec security administration products. Responsible for writing functional specifications, maintaining the development schedule, writing the code, and managing cross-site, cross-company, and cross-platform development.

Bell Northern Research, 1993-1994, Richardson, Texas

Global Cellular Field Support Engineer

- Developed software patches for Northern Telecom cellular phone switches. On emergency call two weeks out of every six weeks, where I was required to resolve any problems that came up in the company's live cellular networks.

IBM, 1990-1992, Lexington, Kentucky and Toronto, Canada

Software Engineer

- Developed in-house software utilities for the OS/2 platform.

TEACHING EXPERIENCE

CSUN Library instruction for computer science courses, 2018-present

Instructor for the ALCTS online course *Fundamentals of Acquisitions*, 2014-2019

LMU Library instruction for engineering and computer science courses, 2003-2018

PRESENTATIONS

Hennessey, Christina. "Empowering staff and pleasing patrons through Alma letters". To be presented in-person at I-SPIE annual conference, Long Beach, California, 10 August 2023.

Hennessey, Christina. "Stat Cat: What's that? Working with Alma user statistical categories". Presented in-person at ELUNA (Ex Libris Users of North America) annual conference, Los Angeles, California, 12 May 2023.

Hennessey, Christina. "Summer of '23: time to clean up Alma letters!" Presented in-person at ELUNA (Ex Libris Users of North America) annual conference, Los Angeles, California, 11 May 2023.

Hennessey, Christina. "Assessment of Student Library Use by Major, College, and Distance from Campus". Invited presentation for the 2021-2022 Research Fellows Colloquium, CSUN, 13 October 2022.

Hennessey, Christina and Karen Schneider. "How to cover a systems librarian sabbatical and other gaps in systems coverage". Presentation accepted & presented online for IGeLU (International Group of Ex Libris Users) 2022 Annual Conference, Cardiff, Wales, 13 September 2022.

Hennessey, Christina. "Introduction to the Angular 1.6 -> 1.8 upgrade for Primo", presented online at the California State University Technical Services Open Forum, 21 July 2022.

Hennessey, Christina. “How to cover a systems librarian sabbatical and other gaps in coverage: my experience doing temporary work for Sonoma State in Spring 2022”, presented online at the CSU Council of Library Deans (COLD), 10 June 2022.

Hennessey, Christina. “Preferred names in Alma/Primo” presented as part of the “User data: How Do You Protect Yours” session. Presentation accepted & presented online for IGeLU (International Group of Ex Libris Users) 2021 Annual Conference, 25 August 2021.

Hennessey, Christina and Kevin Phillips. “Going Contactless: Configuring Alma, Primo, and Primo VE for home and locker delivery”. Presentation accepted and presented online for ELUNA 2021 Learns series, 21 July 2021.

Hennessey, Christina. “Starting a home and locker delivery service in a pandemic”. Presentation accepted and presented online for SUNYLA (State University of New York Library Association), 12 February 2021.

Hennessey, Christina. “Home delivery and locker delivery of CSUN Library Items”. Presentation accepted and presented online for the CSUN Faculty Retreat, 14 January 2021.

Hennessey, Christina. “Using Alma Analytics for ACRL/IPEDS yearly library statistics”. Invited presentation, presented online for eCAUG (California User Group), 28 October 2020.

Hennessey, Christina. “Customizing Alma and Primo for Home Delivery”. Presentation accepted & presented online for ENUG (Ex Libris Northeast User Group) 2020 Annual Conference, 06 October 2020.

Hennessey, Christina. “Can we fix it? Yes, we can! Fixing user record notes in Alma”. Presentation accepted & presented online for IGeLU (International Group of Ex Libris Users) 2020 Annual Conference, Cardiff, Wales, 14 September 2020.

Hennessey, Christina. “The Life-changing Magic of Tidying Alma User Notes”. Presentation accepted & presented online for eCAUG (California User Group) Annual Conference, 02 July 2020.

Hennessey, Christina. “The Life-changing Magic of Tidying Alma User Notes”. Presentation accepted for ELUNA Annual Conference, 06 May 2020, Los Angeles, CA. (conference was cancelled due to COVID-19)

Hennessey, Christina. “Accessing Alma User API Data to Populate a Webform to Create a New ILLiad User Account”. Presentation accepted for ELUNA Developers Day+ Conference, 05 May 2020, Los Angeles, CA. (conference was cancelled due to COVID-19)

Hennessey, Christina. “My (almost) Fail4Lib.” Presented at Code4Lib Conference, 08 March 2020, Pittsburgh, PA.

Hennessey, Christina. “Systems, Migration, and Working with Ex Libris Support.” Presented at Alma Training Event for California Community Colleges, 21 June 2019, Northridge, CA.

Hennessey, Christina. “Preparing for the Ex Libris Identity Service.” Presented at the California State University Technical Services Open Forum, 29 November 2018. Online webinar.

Hennessey, Christina. “The Library Perspective: Pros and Cons of Open Access.” Presented at the Taylor & Francis Library Workshop, 18 August 2014, Los Angeles, CA.

Hennessey, Christina. “Collection Development for Engineering.” Presented at the SAGE Global Sales Meeting, 14 January 2013, Pasadena, CA.

Hennessey, Christina. “Creating an Academic Subject Search for your Catalog.” Presented at the 16th Annual Innovative Users Group Meeting, 27-30 April 2008, Washington, D.C.

Hennessey, Christina. “Automating Millennium and Telnet Tasks Using Windows-based Scripting.” Presented at the Southern California Innovative Users Group Meeting, 11 October 2007, Aliso Viejo, CA.

Hennessey, Christina. "New Systems Manager Forum." Presented at the 15th Annual Innovative Users Group Meeting, 14-17 May 2007, San Jose, CA.

Hennessey, Christina. "Automating Millennium and Telnet Tasks Using Windows-based Scripting." Presented at the 14th Annual Innovative Users Group Meeting, 19-22 May 2006, Denver, CO.

Hennessey, Christina and Sarah Haughton. "Virtual Reference 101." Presented at the 2005 California Library Association Conference, 4-7 November 2005, Pasadena, CA.

Hennessey, Christina. "Bibliometric Analysis of Journal of Sport History (1974-2002)." Presented at the 2004 North American Society for Sport History (NASSH) Conference, 29 May 2004, Pacific Grove, CA.

Hennessey, Christina and Daniel Bell. "The Wide World of Sports Information." Presented at a Friday Forum workshop at University of California, Los Angeles (UCLA), 7 May 2004, Los Angeles, CA.

PROFESSIONAL ACTIVITIES

- Member of the **Ex Libris Letter Interface Testing Group**, 2023-present.
- Member of the ***Code4lib Journal*** **Editorial Committee**, 2023-present.
- **I-SPIE Annual Conference Planning Committee**, 2023.
- Member of the **Ex Libris Training & Documentation Customer Group**, 2022-present.
- Elected member of the national **ELUNA Primo Working Group**, 2021-2023; liaison to ELUNA Analytics Community of Practice group (2021-2022), Communications & Outreach Chair (2022-2023) and administrator of PRIMO-L listserv (over 3,000 subscribers).
- **LibIT 3-day CSU summer meeting "CSUNpalooza" Planning Team (Chair & Host**), August 2019. 172 attendees from across the Cal State libraries.
- **Alma Training Event for California Community Colleges (Organizer** of full day training event), 21 June 2019. 52 attendees from across the Los Angeles area, 12 speakers.
- **ELUNA Developers Day+ 2019 Planning Committee**, 2018-2019.
- Liaison for **ALCTS *Fundamentals of Metadata* course**, 2017-2019
- Liaison for **ALCTS *Fundamentals of Collection Development*** course, 2015-2018.
- **ALCTS-CE** (Continuing Education) appointed committee member, 2015-2019.
- **Leading Institutional Units & Programs** graduate, 2015-2016.
- **ALA Authority Control Interest Group (ACIG),** Chair, 2013-2014, Past Chair 2014-2015, Vice-Chair 2012-2013.
- **OLAC (Online Audiovisual Catalogers) Newsletter** book reviews editor, 2012-2015; **OLAC** member 2010-2017.
- **Southern California Technical Processing Group (SCTPG)** President, 2011-2012, Vice President, 2010-2011, Past President 2012-2013.
- **American Library Association (ALA)** member, 2008-2016.
- **Southern California Innovative Users Group (SCIUG) Steering Committee** member, 2007-2008.
- **LINK+ Steering Committee** member, 2005-2008.
- **NASLIN** (North American Sport Librarian Network) member, 2001-2004.

SERVICE ACTIVITIES

California State University, Northridge

University:

Advisory Committee on Academic Technology (ACAT), 2018-present.

CSUN Probationary Faculty Support Grant, Reviewer, 2019-2022.

CSUNposium, Judge, 2019, 2021, 2022.

Academic Grievance & Grades Appeals Board (AGGA), 2019-2021.

Faculty Awards, Reviewer, 2020.

New Faculty Mini-Faculty Learning Community, Spring 2019.

College (University Library):

Collection Management Librarian Search & Screen Committee, 2022-2023.

Business Librarian Search & Screen Committee, 2021-2022.

Nominations and Elections Committee, 2020-2022.

Library Assessment & Student Success Team, 2018-2022.

Library Technology Committee (L-Tech), 2018-present.

Learning Commons Coordinator Search & Screen Committee, 2021.

Interlibrary Loan Lead Search & Screen Committee, 2021.

Research Fellows Selection Committee, 2019.

Learning Commons Lead Search & Screen Committee, 2019.

California State University System:

ULMS Normalization Rules Task Force, 2023-present.

ULMS Steering Committee, 2021-2024. Elected as At-Large member, 2022-2024.

California Faculty Association (CFA) member, 2018-present.

ULMS Assessment & Analytics Committee, 2019-2022. Elected Vice-Chair for 2020-2021, Chair 2021-2022.

CSU Technical Services Monthly Releases Testing Group, 2018-2021.

CSU Locker Task Force Group, 2020.

Systemwide Technology Initiatives Management (STIM) Committee, 2018-2020.

Loyola Marymount University

University:

Faculty Senate, 2007-2008, elected to Executive Board 2008.

Academic Technology Committee, 2004-2008.

Library:

Chair of Librarian Promotion Committee, 2015-2017.

Hannon Library Planning Steering Committee, 2007-2008.

Chair of Library Technology Committee, 2004-2008.

Library Web Team, 2004-2008.

Library Collection Development Committee, 2004-2015.

AWARDS

Research Fellows selection for the University Library, 2021-2022.

SCELC Conference Grant awardee, 2016 (for Acquisitions Institute at Timberline).

OLAC conference scholarship awardee, 2010.

From Interns to Library Leaders (**FILL**) internship grant recipient, 2002.

North American Serials Interest Group (**NASIG**) conference grant winner, 2001.
